

## Making out a Scorecard

- 1) Fill in **Competition** name, **Today's Date** and your **Name** (first name or initial and surname)
- 2) Time is not necessary but when the cards are made out in advance then the time will normally be stated.
- 3) **Handicap** is your full playing handicap (strokes received unless advised, will be the same)  
Don't forget to put your correct handicap as if you enter a higher handicap you will be disqualified and if lower then the lower handicap will be used for the competition.  
Strokes received becomes more apparent when playing a pairs/team format competition.  
**Handicap** for respective players must be recorded against each player. The calculated playing handicap for the pair/team is then entered in strokes received.
- 4) It is best to indicate which tees are being used although you will not be disqualified if not indicated.
- 5) Your marker will put your gross score in column A and his gross score in Marker's Score. In a stableford competition the marker will put your stableford points in Points column. It is not necessary to put anything in the Nett Score column. The marker will record appropriate stableford points next to their gross score separated accordingly by a hyphen or slash is normal (i.e. 5-2 or 5/2), where 5 is the gross score and 2 is the stableford points.
- 6) At the end of the round the gross score and stableford points, if appropriate, should be added for the Out 9 holes and In 9 holes. Likewise, the Total gross score and stableford points, if appropriate, for the 18 holes added to the card. In a medal round the total gross score should be reduced by the handicap to give the Nett score. The final result should be entered in the small box at bottom left of card.
- 7) Finally make sure that you agree with the card completed by the marker and ensure that you **both** sign the card.
- 8) After entering the card on the Clubv1 system please ensure your card is returned in the competition secretary pile.

IF IN DOUBT THEN PLEASE ASK

An example scorecard – not completing the yellow highlighted areas (excl. Yellow Yards column) shall result in disqualification.
